Work Experience

UX Design Intern

Tweakers

Nov 2022 - Apr 2023
Amsterdam, Netherlands

- Managed end-to-end design for Tweakers' PC Builder feature for my graduation project.
- Conducted user research, created wireframes and prototypes, and conducted iterative testing.
- Designed user-friendly interfaces in line with brand guidelines.
- Prepared a comprehensive handover package for project continuity.

UX Design Intern

Talpa eCommerce

May 2022 - Oct 2022
Amsterdam, Netherlands

- Developed mobile-first design skills during an internship at Talpa eCommerce.
- Created designs for A/B tests, new features, and redesigns using Sketch App.
- Conducted user research to enhance the customer journey through feedback analysis and usability testing.

UX Design Intern

Tweakers

Sep 2021 - Nov 2021
Amsterdam, Netherlands

- Designed impactful UX solutions for Tweakers' website, including wireframing and A/B testing.
- Collaborated on wireframing and coded A/B test variants in Figma.
- Ensured designs aligned with brand guidelines and user-centric design principles.

Education

Bachelor of Science in Communication and Multimedia Design

Amsterdam University of Applied Sciences / Amsterdam, Netherlands

Communication and Multimedia Design is a four-year Bachelor program specializing in digital interactive design, with a strong emphasis on creating user-centered solutions. By completing my degree I am equipped with expertise in visual and interaction design, technology integration, and a holistic understanding of design principles to foster effective collaboration in diverse design teams.

July 2023 / With Honors (Cum Laude)
